

# Rodrigo Leite da Silva

+55 (83) 996050112 – (83) 988126010

**Brazil** – Campina Grande/PB

**E-mail:** drigols.creative@gmail.com

**Birthday:** 24/07/1989

## SUMMARY

---

I am a lover of science and technology. My main interests are to study algorithms and to follow in the area of Artificial Intelligence, where I intend to use these skills to create innovative projects.

## WORK EXPERIENCE

---

A final project where it was developed a system for Residential Automation. The most important was putting into practice what has been studied throughout the course and make the students work as a team with versions systems.
